

VEKA

MADE PERFECT. STAYS PERFECT.

DESIGNED FOR GENERATIONS

STANDING THE TEST OF TIME

Windows are a permanent fixture in your happiness. How about sharing this piece of joy with generations to come? At **NCL VEKA**, we don't just put windows together, but we engineer them to be perfect. With an attention to details that borders on obsession, we craft the windows with utmost precision. So that it shows even decades later.

Presenting NCL VEKA windows – designed to perfection, using German engineering.

TWO LEADERS. ONE GREAT PARTNERSHIP.

NCL, India, and VEKA, Germany. Two behemoths with a combined experience of 90 years in window manufacturing, have come together to form NCL VEKA.

With NCL's network of fabricators in the country being the largest, and VEKA AG being the largest uPVC manufacturer in the world, NCL VEKA has a capacity to manufacture 24,000 tonnes of profiles every year. Thereby, meeting the requirements of 5,00,000 homes (approximately).

Conforming to the highest European standards, NCL VEKA's products are also best suited for Indian conditions.

THE WINDOW ENGINEERS

While most window manufacturers design windows, we at NCL VEKA take this art a notch higher. From procuring the best quality PVC, to converting them into the strongest profiles, we attend to even the smallest of details, creating the perfect solution for your home. The end product – windows that last for nothing shorter than generations.

SPECIALITIES

ARCH WINDOWS

VEKA I-60 Casement profiles have the flexibility to be bent into arch shapes, giving a traditional look to the building. Our in-house arch-bending facility fabricates arch windows with options of single and double glazing.

TILT & TURN WINDOWS

VEKA Tilt & Turn Windows provide an avant-garde look to your house. They are inward opening, available in I-60 Casement Series, and ensure good ventilation. They provide a higher degree of flexibility, suitable for any building type.

TILT & SLIDE DOORS

VEKA Tilt & Slide Doors offer a grand view, while giving the option to tilt and slide the doors behind the fixed panel, for maximum ventilation. The door system is in I-60 Casement Series with European hardware, making it reliable, soundproof and secure.

SLIDE & FOLD DOORS

VEKA Slide & Fold Doors offer a premium look with maximum opening space, which can be integrated into your balconies or terraces. The window system is available in I-60 Casement Series with German hardware.

TWIN SASH GRILL & MESH WINDOWS

VEKA Twin Sash Grill & Mesh Windows are aesthetically superior. Available in I-60 Casement series, they come with multi-point locking hardware that provides safety and security, and keeps insects out. There is also a grill-only option, without a mosquito screen.
